I made south Shropshire my home in 1999. What attracted me? The beautiful scenery and the quiriness of the town that became my home, Bishops Castle. The walks in this area are delightful: gorgeous green rolling hills, stunning views and quiet footpaths, with the next tea shop or pub never too far away. Each day we will explore a different part of this Area of Outstanding Natural Beauty, including Church Stretton and the Long Mynd, the Stiperstones, the hills on the skyline view from Church Stretton, Ragleth and the Iron Age hill fort of Caer Caradoc as well as walking from Bishops Castle for one of our walks.

### **Holiday highlights**

- Take in views across England and Wales from Pole Bank, the highest point on the Long Mynd.
- Walk the hills on the skyline from Church Stretton; the mighty Caer Caradoc and Ragleth.
- Discover the mysterious Stiperstones rocks and visit the Bog tearooms.
- Explore the quirky town of Bishops Castle and walk the ancient drover's route, the Kerry Ridgeway and a section of Offa's Dyke.

### **Accommodation**

Ads Ventures has a brilliant new base for this holiday: the relaxed, friendly and elegant Victoria House in Church Stretton. With its back garden overlooking the 11th Century church, this charming Victorian townhouse is centrally located yet within easy walking distance of the Shropshire Hills.

Using antique furniture, original artwork and luxury soft furnishings, the interiors have been individually styled and tastefully decorated to a high standard to create guest rooms with character.

A delicious breakfast served each day in the breakfast room overlooking the garden, is cooked to order

using local quality produce wherever possible.

With six guest en-suite rooms to choose from, there is a room to suit every taste. As each of the rooms is individual, they are also individually priced for this 5-night break. On this holiday, dinner is not included, however, on each evening I will book a table at a local pub or restaurant, either in Church Stretton, or just down the road in Little Stretton to give the opportunity to eat together. Alternatively, you can make your own arrangements for dinner each evening.

### **Holiday price for 5 nights**

Each room is priced individually: If more rooms are needed I will find alternative accommodation in Church Stretton of a similar standard. Breakfast will still be taken in Victoria House.

### **Detailed Itinerary**

The following is the proposed itinerary for this short break. However, please bear in mind that in the event of local conditions changing, for example, due to weather or other unforeseen circumstances, it may be necessary to change the itinerary.

## Day 1

Arrive at the Victoria House and check into your room.  
Meet at 7pm in the lounge for a short briefing about the week ahead before dinner.

## Day 2: The Long Mynd

Today we walk from Victoria House to the neighbouring village of Little Stretton and from there ascend the hill that is a constant backdrop to the Stretton valley, the Long Mynd. We climb to its highest point, Pole Bank, to take in views across the county and way beyond. We retain our height as we walk it's length, before dropping down through the delightful Carding Mill valley back into Church Stretton.

**13.5 km (8.5 miles) ascent/descent 420 m**  
**Meals included: breakfast**

## Day 3: The Stiperstones and the Bog (which isn't a bog!)

Today we explore the jagged rocks of the Stiperstones. This quartzite ridge rises sharply above purple heathered moorland, making for dramatic scenery and an area steeped in myth and legend. The largest clump of rocks, called the Devils Chair is said to have been placed there when they fell out of the Devil's apron and rather than pick them up, he left there to rest on!

From Church Stretton we take the dramatic drive over the Long Mynd to park at Bridges. We walk to the Bog centre where there is a community run café for elevenses and from there, follow the length of the Stiperstones ridge before descending back to the Bridges and it's pub, The Three Horseshoes.

**16 km (10 miles) ascent/descent 420 m**

**Meals included: breakfast**

#### **Day 4: Caer Caradoc and Ragleth**

The skyline view from Church Stretton is of a range of hills; Ragleth, the ancient hill fort of Caer Caradoc, and slightly further along the valley, the Lawley. The views from this stunning range of hills are extensive and stretch over the whole of Shropshire and its neighbouring counties. Walking from Victoria House we first follow a valley route to the neighbouring village of Little Stretton before heading up to the ancient hillfort of Caer Caradoc. Descending to the south side we

walk around Hazler Hill and then up onto Ragleth. The ascent to the very top of Ragleth along the long sweeping ridge is optional, but well worth it for those that want to. From the summit of Ragleth we descend back to Church Stretton.

**14.5 km (9 miles) ascent/descent 625 m**

**Meals included: breakfast**

#### **Day 5: Kerry Ridgeway and Offa's Dyke from Bishops Castle**

We drive to Bishops Castle and park in the Cattle Market. Walking through this ancient town, we pick up Kerry Lane, once the main drover's route from mid Wales to London, and use this to climb up past the ancient hillfort of Caer Din onto the Kerry Ridgeway for views down across the Vale of Kerry. When this route crosses Offa's Dyke path we turn off to follow this long-distance route to Churchtown and then Mainstone. From here, we climb up onto Reilthtop for stunning views down over the Unk valley and over to Wales and then descend to Bishops Castle to explore this lovely town before returning to Church Stretton.

**Distance 10.5 miles Ascent and descent 500m**

**Meals included: breakfast**
